

# **U.S. Out of Iraq & Afghanistan NOW!**

**\*\*\***

## **Stop U.S. Aid to Israel**

## **Stop Attacks on Pakistan & Iran**

March 19 marks the 6 anniversary of the criminal U.S. invasion of Iraq. We have gotten rid of the Bush/Cheney gang that lied their way into that war, but the war keeps going.

President Obama is about to send more troops to Afghanistan. Attacks on Pakistan while the U.S. threatens Iran. And U.S. military aid to the Israeli settler state continues every day while Israel bombs and blockades the Palestinian people in Gaza and the West Bank.

March against the wars. Demand that all the troops be brought home NOW! We need money for jobs, housing, education and health care at home – not for war.
